

Preface

This conference proceeding book consists papers from 2019 International Conference on Water Resource and Environmental Engineering (ICWREE2019), which was held on August 22-23, 2019 in Singapore.

This conference focused on recent scientific research and engineering technology in the field of Water Resource and Environmental Engineering. All papers were accepted through a peer-review process by the editorial committee and international reviewers.

On behalf of the organizing committee, the editor would like to acknowledge the technical comments from the reviewers and thank all of the authors for their contributions to this proceeding book.

The next year ICWREE2020 will be held in Shanghai. We are looking forward to meeting you in Shanghai, China.

With our warmest regards,

Editors of ICWREE2019
