Face-to face Session (23rd August 2023)
 Bella Vista Waterfront Resort,
 Langkawi, Malaysia

Online Session (24th August 2023)

2023

ICONGEET

5th International Conference on Green Environmental Engineering and Technology (ICongEET) 2023

CALL FOR PAPERS

Empowering innovation and technology for a sustainable and resilient future

DATE & VENUE

LANGKAWI MALAYSIA

23-24

August 2023

SUB THEME

- Water and Wastewater
- Air Pollution and Control Technologies
- Noise pollution
- Groundwater Pollution
- Global Warming
- Climate Change
- Environmental Management and Protection
- Environmental Risk Assessment & Safety Regulations
- Soil Pollution and Treatment
- Oil Spill
- Desalination
- Sustainable Energy and Energy Management
- Environmental Survey
- Remote Sensing and GIS
- Environmental Modelling
- Environmental Education Program
- Renewable energy
- Environmental Remediation
- Environmental Sustainability and Development
- Greenhouse Effects
- Green Manufacturing and Technologies
- Pollution Prevention
- Others related topic

IMPORTANT DATES

13 August 2023

Full Paper Submission (Final)

17 August 2023

Notification of Acceptance

18 August 2023

Final Payment

18 August 2023

Camera Ready, Copyright & Registration Form

23 & 24 August 2023

Conference Date

All accepted papers will be published in Scopus index proceedings - E3S Web of Conferences. Selected papers will be published in:

- International Journal of Conservation Science (Impact Factor 0.8) with article processing charges (APC) paid by authors.
- International Journal of Sustainability by MDPI (Q2 - Impact Factor 3.9) with article processing charges (APC) paid by authors.
- International Journal of Land by MDPI (Q2 - Impact Factor 3.9) with article processing charges (APC) paid by authors.

REGISTRATION FEE

- ✓ Local Presenter **MYR 1200/article**
- ✓ International Presenter **USD 300/article**
- ✓ Online Local Presenter **MYR 850/article**
- ✓ Online International Presenter **USD 200/article**
