

## Opening Address

### Welcome Message from The Chairman

Dear colleagues,

On behalf of The Committee of the 4th International Conference on Green Civil and Environmental Engineering (GCEE 2023), I would like to greet you with a warm welcome to the GCEE 2023.

Since the first GCEE held in 2017, we are committed to continuously provide a great platform to present your innovations, explore your insights, and expand your research network through GCEE 2023. With the theme of “*Marine Infrastructure on the Move, Materials, Methods, and Technology*”, we gain up to hundred of accepted research to present in this international conference.

Furthermore, I would like to thank the committee members, especially to all staff of the steering committee from Universitas Negeri Malang, Indonesia as the main conference organiser and supported by Universitas Udayana and Universitas Warmadewa as partner universities, and the editors for the hard work and support. I hope this conference spreads benefits to all parties and will be looked forward to in the future.

Sincerely,

Puput Risdanareni  
Chairman of GCEE 2023
